“ *My sister, Alison was an inspiration for me.
She encouraged me to follow my dreams.
She was my biggest supporter during my life.
She had a firey spirit. She had dreams of her
own. She was a fighter. She fought her battle
with breast cancer like a warrior. She faced her darkness hour with
every ounce of her strength. She is beyond boundaries of this world.
She's in a beautiful and peaceful garden surrounded by roses. My
sister will always remain my true hero. I miss her every single day.
We should meet again on the other side of the shining shore. Until
than Rest In Peace, My Sister.*
