

Amy I.E. MacNamara

March 28, 1980 - September 16, 2016

Amy Irene Evelyn MacNamara. Age 36. Mother of Jason and Ryan Copenhaver. Daughter of the late Helen MacNamara. Sister of Charles (Stella) MacNamara. Granddaughter of the late Kenneth and Maxine Sargent. Niece of Jan (late Steve) Chapman, Michael (Nancy) Sargent, Julie (Scott) Engel, who were also her guardians, Karen (Ken) Drogowski. Cousin to many. Fiancé of David Rodriguez Ricks.

A great deal of people called Amy friend. She was fun loving and easy going. Her smile and laughter would light up a room. She endured many challenges throughout her very short life, and whether or not anyone else agreed, she did it her way. She loved to read, listen to Johnny Cash and Neil Diamond and was a definite Foodie....that girl could cook! She did not, however, like wearing shoes.

She left a mark on all those she touched and will be missed by so many who knew and loved her. Rest in Peace, Sweet Girl.

“ I did not know Amy long but she was definitely made a lasting impression on me and everyone she came in contact with...I am so sad to hear her life was cut short but she is a star in the sky and she is waiting for the day that we will all meet again. May God be with her family in this difficult time and may they find peace in the memories and love she had for everyone esp her fiancée and children

“ Amy made my son Rodruguez very happy and for that I loved her. She was a loveable person and I would have been proud to be her mother-n-law. Amy was family! It broke my heart when she passed but God had other plans. Good night sweet child.
