“ I am so sorry for your loss - especially hard on Jayne who lost 2 sisters in such a short time. The better side of this is that Carol is in no more pain. She will be missed by many and I have a lot of good memories over the years. Rest in peace Carol. Prayers to you all! Love, Thelma

Although the miles have separated us, I have many fond memories of visits to Aunt Carol as a child. She remained always fiercely independent. I hope great memories take place if sorrow for those who knew and loved her. My thoughts and prayers are with Aunt Jayne, Robin and family. Juli

I often realize how lonely I am for Carol. She was part of my every day for six months and gave me a purpose in life. She endured her last days with great grace and without complaint. I'm thankful for everybody's words of comfort and the loving kindness that's been shown to me.
