“ *Danny you fought a good fight, a long battle.
A good heart has stopped beating. A good soul ascended to
heaven.
We lost another dear friend to the Angels and take comfort in
knowing that now we have a special Guardian Angel to watch over
us.
Danny you will be missed by many who loved you so much.
Ricky and myself included.
Your simple Love of Life was infectious.
Know you'll keep heaven filled with smiles and laughter.
Thank you for being our good friend and a friend to so many.
We are so grateful and proud to have known you.
Rest in Peace old friend and fly high with the rest of our Angels
See you later.*

*So saddened for our loss.
No words can express our sorrow.*

*Our Prayers go out to you all.
May God continue to bless and comfort you all as you go through
this difficult time of sorrow.*

*With Deepest Sympathy Karolina and Franklin Pike
"Karola" and "Ricky"*

“ Danny, I know your in heaven talking s#xt to everyone and making everyone laugh. You always made me laugh even through the tough times. I always felt protected, respected and loved. You were my knight in shining armour. There will never be another Danny Brown. You had a heart as big as you were strong. I miss hearing you say my name 24 hours a day. I have cried a million tears and I know I will cry a million more. I love you to the moon and back. Now in heaven you will be at peace and in my heart you will always stay until we meet again. I miss you terribly and wish I had "one more day". I will always love you! Your loving "wife" Deb (T.R.H.B.F.H.)

“ Danny was my best friend for over 30 years. I'm gonna be lost without him. I don't know how I'm gonna spend my time without him . He was the kind of friend that was always there for everyone. Nothing he wouldn't do for anyone. There was no one like him . I will truly miss him . He will forever be in my mind, heart and soul . I watched him suffer a long time. May you rest in peace . Forever your friend, (Bondo) Bob Lenard
