“ Many memories to share. Wish I had known he passed. We spent many late night hours together remodeling and building pizza inns in eastern North Carolina. Had a few drinks a lot of laughs and probably a few arguments with HM Poythress. Many all nighters working together. I think of Doug fondly and often. Bennie Langston was another who spent some of those all nighters with Doug and I. Bennie and I were thinking of Doug today and when his phone didn't answer we did some research to discover this Ob. Sad thinking about Doug being gone. Hope his family is ok. Would love to talk to his daughter if she reads this. My # is 252-205-7373. RIP Doug. May god bless the family.
