“Eddie Cavin was one of the toughest people I have ever met and I say that with admiration. He was a man who might be referred to as “the strong and silent type.”

But, underneath that persona lived a man with a big heart.

Eddie was a Veteran, a bull-rider, a security specialist and a truck driver to name but a few of his varied careers and experiences.

A “steak and potatoes” man who loved his dogs.

Even more, he loved my friend, Maria...

R.I.P. Eddie - No more pain.
