“ Jeff I'll forever miss you. You may be gone but your not forgotten. You showed me what true love was. I never stopped or never will stop loving you. Our life together had its ups and downs but who's doesn't. I wouldn't change anything about what we had. Your were the love of my life. We had a lot of great times together, and I'll always cherish those memories we made together.

Gone but not forgotten

I loved you I think from the minute I saw you.

You will always have a special place in my heart.

You free now of any pain and sorrow.

Let you wings spread.

I know your always going to watch over us.

I love you always and forever.

LOVE YOU

BOO BOO (Sharon)

Beauty (you always made me feel beautiful).
