“ *I moved from Philly to Baltimore with my family in 77. My mother's company was bought out and it either move or lose her job. My mom worked with Sue's mom. Ms. Pat. She was my first friend in Baltimore. We would date for a while in our teens. We would drift in and out of each other's lives for the next thirty years. But always loving... Always caring. Incredibly funny and remarkably positive. I will miss my dear friend.*
