“ *Betty, Paula, Little Paul and families: Was so sad to hear this news. You were all a large part of our families life from the time we first moved to Southport. Paul talked with Tina after she had quit school about how important her education was and she went back and finished, thanks to him. You are all in my thoughts and prayers. God bless you. If there Is anything I can do I'm just phone call away. Love you all. Zona Ross*
