“ Raymond was as caring as he was funny. He fought a brave battle, and in the end, he was victorious. "To be absent from the body is to be in the presence of God." I've known this family all my life. His sisters adored Raymond. I've heard of how Pepper and Raymond loved each other. He was so blessed to have a caregiver who is family. The Comforter was there to take Raymond home and He is with you now. Debbie Pendry
